### SCHEDULE FOR TODAY.

Vincennes at Paducah.  
Henderson at Cairo.  
Clarksville at Hopkinsville.

The Indians administered the second pill of defeat to the Vincennes aggregation of pennant aspirants at Wallace park yesterday afternoon by a score of 6 to 2. The dose was manfully taken and swallowed with less difficulty than the dose of Tuesday.

The visitors tallied one run in the first inning through errors. Smeltz hit to Gerard who threw wild. O'Leary sacrificed from Freeman to Violet, Smeltz advancing a base on the play. Lemon hit a hard one to left field which Wernecke fumbled, letting Smeltz score. Gwyn walked and Wilkinson with much ado gripped his stick for a drive. He hit a grounder to Sherman who fielded to Potts, to Violet, completing a fast double play and retiring the side. One run.

Paducah followed making three runs. Potts got a pass and Barlow fanned. Sherman walked and Land smashed a hot grounder to Smeltz who fumbled, Potts and Sherman in the meantime having stolen third and second bases respectively. Violet hit a hard grounder down the right field line scoring Potts and Sherman. Warner hit high to left and Land scored on the throw. Gerard flew out to center. Three runs.

In the fourth inning Violet walked and Warner hit to pitcher who threw to O'Leary to Wilkinson, completing a double play. Gerard hit a double down the left field line and scored on Wernecke's single to left. Freeman was retired from short to first. One run.

In the following inning Vincennes made her second and last run. Roedel hit safe to left, followed by Kolb's fly out to center field. Dauttief doubled to left field and Whitley knocked a high fly to Warner who let it drop, scoring Roedel. Smeltz hit to left field, but O'Leary retired the side with a fly out to Gerard. One run.

In the sixth inning Paducah got two runs. Violet struck out and Warner reached first on O'Leary's fumble. Gerard reached first on Smeltz's fumble of grounder and Wernecke followed with a hard hit grounder to Smeltz who touched third, forcing Warner out, but threw wild, letting Wernecke go to second. Freeman got to first on Smeltz's fumble of grounder and Potts home to the bat. Wernecke started a steal to invite a throw which O'Leary took the throw but fielding it to home wild, scoring Gerard and Wernecke.

Potts fouled out to first, retiring the side with two runs.

Vincennes failed to do anything with Freeman after this, and the result can be seen in the summary which follows:

### BASEBALL NOTES.

McGill arrived last night from his home in Louisville much refreshed from his several days lay off. He will work in the box for the Indians today.

The lineup today is as follows: Land, c; McGill, p; Violet, 1b; Potts, 2b; Gerard, 3b; Gilligan, ss; Wernecke, cf; Barlow, rf; Sherman, lf.

It is wisely said that Paducah is strong in her pitching staff. The Indian's twirlers have as good records as any in the league.

Cairo sees a black cloud arising from Paducah's direction to mark her view of the pennant.

Gilligan and his headwork will be welcomed back with sincere pleasure. The boys like the new management and have shown their willingness to play the best ball possible.

Barlow, while attempting a piece of sky scraping fielding yesterday, muffed a fly. This is the first error the little fielder has made in many days, and was excusable.

Gerard was due a double hit yesterday.

President Gus Thompson, of the baseball association, says Paducah will surely capture the pennant.

Who said baseball was dead in Paducah?

Yesterday's crowd was a big one, but "wait until Cairo comes."

Paducah is "saving up" for the Cairo series.

And to think the Vincennes aggregation played three successive errorless games!

Potts' playing at second yesterday was phenomenal. He made two sensational stops which have never been equaled on the Paducah diamond this season. Gerard made a sensational running catch yesterday, going back to left field for the fly.

Gilligan arrived last night and is captain again. He will be in the game this afternoon.

"The talk of buying Long from Henderson is all bosh," Manager John Ray stated today. "We offered Henderson \$200 for his release which was refused."

The Cairo fans have dubbed Henderson "The Bridge Tenders."

Potts yesterday had ten chances at second without an error, something remarkably good.

McGill is feeling good today and says he will whip the Vincennes boys bad.

The left handed hitters on the local team: Gilligan, when he wants to; Violet, Meyers, Brady, Wernecke and McGill.

Wernecke is as hard worker as any on the team and looks good to the management. He will be retained permanently.

## NEW FIELDER

HARRY MEYERS, OF LOUISVILLE GOES IN THE FIELD—SHERMAN WANTS RELEASE.

Harry Meyers, a fast outfielder from Louisville, is here to play with the Indians. He can also handle first base and is a left hand stickler who "hits 'em a mile." He will play left field today. Some few changes have been made in the lineup, Sherman getting a day off today. Barlow will play right and Wernecke center, Meyers taking Sherman's place in the out garden.

It is stated that Sherman will be released on his own application, desiring to go to Grand Rapids, Mich. He has been after his release for some time. He refuses to play the outfield and there is no place for him in the infield with Gilligan back.

Sherman got his release this morning as it meant \$50 a month more to him. President Gus Thompson did not want to let him go, but Sherman signed no written contract and rather than prevent his doing better the management decided to grant him his release.

### CAMPERS IN TO SPEND NIGHT.

The girl's basketball team of the Paducah High school, who are camping near Wallace park, came into the city to spend the night last night on account of the rain, but returned this morning. The camp has been christened "Frogland," and the party is composed of Misses Mary McGuire, Elsie Hoevischer, Clara St. John and Mae Ammon, chaperoned by Mr. and Mrs. H. M. Dunning and Mrs. M. E. Ham.

## THREE MORE

SUITS FILED BY PRISONERS FOR DAMAGES AGAINST THE CITY.

Attorney J. M. Worton has filed three more suits against the city for illegally working city prisoners on the streets. One was filed for Clint C. Chiles for \$10,000 damages for working out a fine of \$1 for drunkenness; another for James Magner for serving five days for drunkenness and the third for James McRae for serving 28 days for drunkenness and disorderly conduct.

### CARD OF THANKS.

Paducah, Ky., July 21.—To the brothers and sisters, and all of our friends we cannot express in words the heartfelt sympathy shown to us in our sad misfortune, and thank all for their kindness to us and hope this sad case may be a warning to young men to shun strong drink and bad company, lest they bring grief to others of their family and friends.

WILLIAM SHORT.

### Morse and Automobile.

Once upon a time a faithful horse found that his master was using him less and less, and the neglect made him extremely unhappy, though he could not account for it.

One day, while in his pasture, he saw his master riding down the road in a vehicle that moved very rapidly, though there was no horse attached to it. He made inquiry and learned what had brought the change in his life.

"Alas!" he sighed, "I have lost my prestige, and the automobile comes first."

Moral:—The cart is before the horse.

### Revision.

A dear little kindergarten, pupil, not teacher, made a distinct impression by her answer to the question, "Who was George Washington?" She said he was first in war, second in peace, and third in the hearts of all his countrymen.—Minneapolis Journal.

## MONSTER PILOT

IT WILL BE USED TO SCRAPE OFF SAND AT HENDERSON.

Mr. T. E. Judd, the well known wood worker employed in the local I. O. shops, is making probably the biggest engine pilot ever turned out by the I. O.

The pilot is over ten times as strong as the ordinary engine pilot, and is being made to use between Henderson and the river to scrape sand off the track. The water comes up and leaves a deposit of sand on the tracks and the big pilot, reinforced with steel sheathing, will be used to push the sand off the rails. Mr. Judd will finish the pilot this week.

## Use Shoffner's Sure Cure

The Great Tonic and Blood Purifier—Cures Indigestion, Dyspepsia and Catarrh.

It is a trite and true saying that the "blood is the life." Now where does the blood come from? Everybody knows, or should know, that it comes from the nutritive elements extracted by the stomach from the food we eat. If the digestive organs do not perform their functions by reason of disease germs, there is no nutrition extracted, and the food might better be thrown in the dump to decay and breed germs in the open air than to remain in the stomach and become a rotten, putrid mass, as it naturally does if there is no digestion. No disease germ can live and find lodgment in a human body that uses the Shoffner's Sure Cure. Price \$1.00.

What People Say of the Shoffner's Sure Cure.

PADUCAH, KY., March 5, 1903.

To Whom It May Concern:

This is to certify that I was a sufferer with indigestion for five years and could get no relief until I bought one bottle of Shoffner's Sure Cure, and it helped me so much that I took six bottles and it has cured me sound and well, thanks to the Shoffner's Sure Cure.

MRS. JOHN SMEDLEY, 806 S. Third St.

This is to certify that I believe the Shoffner's Sure Cure saved my life. I was not able to sit up in bed when I began taking the remedy. I had such a severe cough I thought I had consumption. Physicians had given me up to die. After taking one bottle I was able to sit up some. After using five bottles I was fully restored to health. I cannot say enough in favor of this wonderful remedy for indigestion.

MRS. SUE GRAHAM, Moscow, Ky.

If after using one bottle according to directions you are not benefited, your money will be refunded.
